

# A celebration of Women in Mathematics

## You are invited!

**12 May** is a joyful opportunity for the mathematical community to celebrate women in mathematics. The celebration takes place every year, all around the world.

As a student registered for a mathematical sciences stream, we would like to invite you to celebrate with us.

This year we are very excited to unveil posters documenting some of the history of women in mathematics.

**DATE:** 12 May 2023

**TIME:** 13:00

**VENUE:** The Mathematics building

Please join us for the unveiling and a light lunch.

RSVP by 5 May by completing the following form:

<https://forms.office.com/r/TcApLKYKCz>

**Why 12 May?** Maryam Mirzakhani was born on 12 May. She was the first woman to be awarded the Fields Medal. Her beautiful and astonishing results and her life and career are an inspiration for everyone to pursue their dreams in science.

This is an initiative of the Women's Committee of the IMU.

Please go to <https://may12.womeninmaths.org/> for a list of the initiatives worldwide.

## We hope to see you there!
